4. Library card is ready to use

Return to homepage and you'll see:

1. **Barcode and number** of your library card,
2. **Your name** and
3. **Hold identifier**, which you'll need to get your reservations from the library.

Your loans are shown under **Loans**. Your reservations are shown under **Reservations**. You can also see the **opening hours of libraries** in Tuudo.

You can also **renew your loans** conveniently in Tuudo!

The screenshot shows a mobile application interface for a library. At the top, there is a navigation bar with a hamburger menu icon on the left, the word "Library" in the center, and "FINNA" on the right. Below the navigation bar is a large barcode. Underneath the barcode, the number "2582904440" is displayed, with a red "1" above it. Below this, the name "Testiville Talonpaika Winha" is shown, with a red "2" to its left. Underneath the name, the text "Hold identifier: 904440" is displayed, with a red "3" to its left. Below the library card information, there are two main sections: "Loans" and "Reservations". The "Loans" section has a blue background and contains the text "No loans" and a right-pointing chevron. The "Reservations" section has a white background and contains the text "No reservations" and a right-pointing chevron. At the bottom of the screen, there is a blue gradient bar.

5. Problems?

If adding a Tuudo library card **didn't succeed** for some reason, go to the **library's customer service** to get a normal library card, which can be later added in Tuudo.

To add an existing library card in Tuudo, click **I already have a library card** (cp. 3c) and follow the instructions on the phone!

A large, light grey circular graphic element, possibly a stylized letter 'C' or a partial circle, is positioned in the background. It is centered vertically and horizontally, with its right side extending towards the right edge of the frame.
